

BENNET UCHE

Civil Engineer | Construction Engineer

09037592381 uchechukwubennettchikere@gmail.com Abuja, Nigeria

SUMMARY

Highly motivated and detail-oriented Civil Engineer with a distinction and a CGPA of 3.9/4.0. Adept at applying engineering principles to real-world challenges, with a strong foundation in structural analysis, project management, and sustainable design. Possesses basic programming skills, IT essentials and networking skills, with a demonstrated ability to learn technical concepts rapidly. Proven ability to work collaboratively in team environments and effectively communicate complex technical information. Always ready to learn and eager to contribute to innovative infrastructure projects, making a positive impact in the field of civil engineering.

EXPERIENCE

Site Construction Engineer | Supervisor

- Self Employed2022 - 2023Enugu
- Responsibilities**
- Conducted site assessments and feasibility studies to determine project requirements and constraints.
 - Collaborated with clients to understand needs, prepared project proposals, and managed budgets and schedules for timely completion.
 - Coordinated with engineers, contractors, and stakeholders, and supervised on-site construction activities to meet design specifications and quality standards.
 - Conducted regular inspections, provided technical guidance, and resolved construction issues efficiently.

Site Construction Engineer | Supervisor (Contracts)

- Amachris Construction Company2019 - 2022Enugu
- Oversaw and managed numerous construction projects, ensuring compliance with specifications, safety regulations, and timely, budget-conscious completion.
 - Coordinated with clients, contractors, and engineers, resolving technical issues and implementing sustainable practices to maintain high-quality construction standards.

Physics Teacher for senior class (NYSC)

- Sultan Attahiru Ahmadu Secondary School2023 - 2024Sokoto
- Delivered engaging Physics lessons to senior students, using innovative strategies like hands-on experiments and interactive activities to foster deep understanding and enhance academic performance.

Mathematics and Basic Tech Teacher (Junior class)

- Ocean of Excellence Secondary School2021Enugu
- Taught foundational concepts in Basic Technology and Mathematics to students, employing diverse instructional methods and interactive, hands-on activities to enhance student engagement and mastery of essential skills.

EDUCATION

Higher National Diploma in Civil Engineering

FEDERAL POLYTECHNIC IDAH2018 - 2022

WASSCE (WAEC)

St Theresa's College, Nsukka2012 - 2017

ACHIEVEMENTS

Best Graduating Student in Department

I graduated with a **CGPA of 3.9/4.0** in Civil Engineering from Federal Polytechnic IDAH (HND), one of the most rigorous departments at the institution. I led my project team to successfully deliver an outstanding final year project titled **"Compressive Strength of Cement Stabilized Earth Block Incorporating Palm Fiber,"** overseeing the entire process from inception to completion.

Social Prefect

Due to my strong interpersonal and communication skills, sound leadership qualities, and well-organized personality, I was elected as the Social Prefect of the prestigious St. Theresa's College, Nsukka, a role which I carried out effectively, earning great praise and commendation from the principal.

CERTIFICATION

NYSC Certificate

National Youth Service Corps at Sokoto

CCNAv7: IT Essentials

Cisco Networking Academy

CCNAv7: Introduction to Networks

Cisco Networking Academy

PASSIONS

Engineering Drawing

Mathematics/quantitative analysis

Teaching/Guidance

Learning and Carrer development

SKILLS

Construction	Design and Analysis
Microsoft suites	Good Listening
Google workspace	IT networking
leadership	Computer Programming
Good communication	Critical thinking
